7. Connecting to Computer

Windows

You need a connection setup for each computer. Proceed with the setup from step 1 for each computer.

If you use the printer while it is not connected to a computer, confirm that 1 is displayed on the printer's screen. The setup is now complete.

1 Start the setup file for either method **A** or method **B**.

A Downloading from the Internet

❶ Open a web browser (etc.) on your computer.

❷ Input the following URL and access the Canon website.

http://**ij.start.canon**

❸ Select **Set Up**.

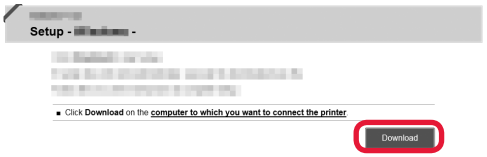
❹ Input the model name of your printer and click **OK**.

You can select a model name from the list.

❺ Click **Setup**.

The procedures for Windows are shown below. If you are using a computer with an OS other than Windows, do the setup according to the on-screen instructions.

❻ Click **Download** and download the setup file.



❼ Execute the downloaded file.

Proceed to step 2 on the next page to continue.

B Using Setup CD-ROM (Windows Only)

■ When using Windows 10 or Windows 8.1:

❶ Load the Setup CD-ROM in your computer.

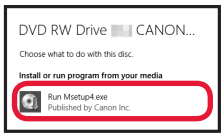
❷ When the following message appears on the right side of your computer screen, click it.

When This Message Does Not Appear (or Has Disappeared)

1. Click **File Explorer** on the taskbar.

2. Click **This PC** on the left side of the opened window.
3. Double-click the CD-ROM icon on the right side of the window.
   If the contents of the CD-ROM appear, double-click **Msetup4.exe**.
4. Proceed to step ❹.

❸ If the following screen appears, click **Run Msetup4.exe**.

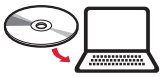


❹ If the **User Account Control** dialog box appears, click **Yes**.

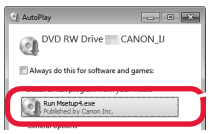
Proceed to step 2 to continue.

■ When using Windows 7:

❶ Load the Setup CD-ROM in your computer.



❷ When the **AutoPlay** screen appears, click **Run Msetup4.exe**.



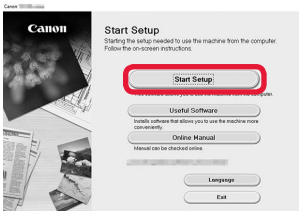
When **AutoPlay** Screen Does Not Appear

1. Click **Computer** from the start menu.
2. Double-click the CD-ROM icon on the right side of the opened window.
   If the contents of the CD-ROM appear, double-click **Msetup4.exe**.

❸ If the **User Account Control** dialog box appears, click **Continue**.

Proceed to step 2 to continue.

2 Click **Start Setup**.



Follow the on-screen instructions to proceed with the setup.

If the following screen appears, click **Exit**.

The setup is complete when 1 appears on the printer's screen. You can print from your computer.

Loading Paper

1 Open the paper support.
