Quick Start Guide

1. Insert the battery.
2. Insert a card. (When using a card, confirm that the card slot is facing toward the back of the camera, insert it completely to take the card in.)
3. Attach the lens.
4. Set the lens focus mode switch to <AF>
5. Set the power switch to <ON>.
6. While holding down the < > button on the front of the camera, turn the < > dial to set the shooting mode to Intelligent Auto.
7. Focus the subject.
8. Take the picture.
9. View the image.
